Make a difference for the people of BC in a highly supportive and progressive environment!

The Office of the Auditor General of British Columbia (OAG) is seeking a talented professional to fill an integral role in the financial audit and related services portfolio.

The financial audit and related services portfolio team focusses primarily on audits related to the province's summary financial statements and other assurance work that supports it. As the manager, you are responsible for managing resources and meeting program deliverables within budget and time allotments. The manager is accountable for managing and conducting financial statement audits and performance audit projects including planning, conducting, and reporting according to professional accounting and assurance standards.

If you have experience in conducting financial statement audits and strong leadership skills, then this role may be for you! To be considered for this position, applicants **must** have:

Education & Experience

- A professional accounting designation, i.e., Canadian CPA or an equivalent international accounting designation with eligibility for membership in good standing in the Institute of Chartered Accountants of BC.
- A minimum of two years post designation experience conducting financial statement audits, including responsibility for planning, conducting, and reporting audit/assessment activities in accordance with generally accepted auditing standards (GAAS), and managing project teams.
- Preference may be given for applicants with an understanding and experience working with Canadian Public Sector Accounting Standards.

Conditions

- Successful completion of security screening requirements of the B.C. public service, which may include a criminal records check, and/or *Criminal Records Review Act* check, and/or enhanced security screening checks as required by the Office of the Auditor General.

Please see the attached job profile for a full description of the accountabilities and required qualifications.

Experience outlined in the qualifications matrix must be clearly identified in your resume as a major and regular part of your previous role(s).

Located in downtown Victoria, the Office of the Auditor General of British Columbia has been recognized as a leader in promoting effective and accountable government. The office offers a comprehensive salary and benefits package, pension plan, flexible work arrangements (including a base in either Victoria or the Lower Mainland), and a strong culture of teamwork and collaboration.

The Office of the Auditor General of British Columbia is committed to fostering a diverse, inclusive, and respectful workplace. Make a difference while enhancing your career progression and your professional skills.
